We Are Girl Scouts.

Girl Scouts bring their dreams to life and work together to build a better world. Through programs from coast to coast, Girl Scouts of all backgrounds and abilities can be themselves as they discover their strengths and rise to meet new challenges—whether they want to climb to the top of a tree or the top of their class, lace up their boots for a hike or advocate for climate justice, or make their first best friends.

Girl Scout Promise and Law: Our Guiding Principles

The Girl Scout Promise

On my honor, I will try
To serve God and my country, to help people at all times, and to live by the Girl Scout Law.

The Girl Scout Law

I will do my best
To be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

The Power of Girl Scouts for Girls.

Now, more than ever, girls face unique challenges in school and in social settings. Our proven Girl Scout program is based on years of research about girls' development and is designed to:

- Close the confidence gap (research is clear—it starts for girls at age 6, when they start to believe that they are less capable than boys, and it accelerates in middle school and continues through college);
- Develop and fortify girls' belief in their identities as leaders;
- Inoculate girls against the constant drum of media that tells them they must be perfect; and
- Strengthen them to stand up to the peer pressure and bullying that girls experience starting in elementary school.

All-Girl Environment for a Girl Scout Leadership Experience

We want every girl to try new things and to take smart risks that challenge her to grow. The Girl Scout Leadership Experience is a model where that can happen. It is designed to be girl-led where girls are involved in the decision making. Girls learn by doing, so there's a lot of hands-on, experiential learning opportunities. The model also revolves around cooperative experience, where girls work together in a team to discover, connect and take action.

89% of parents say their girl is happier because of Girl Scouts!

The Girl Scout Gold Award is the most prestigious award in the world for girls—and the most difficult to earn—and it's only available to Girl Scouts.

It's a one-of-a-kind opportunity for girls to engage in a rigorous process that calls for leadership at the highest level, as they tackle issues they feel passionately about.

Gold Award Girl Scouts:

- Earn college scholarships
- Demonstrate high educational and career outcomes
- Are active in their communities
- Access a powerful and supportive Girl Scout network

Our Program.

Everything a Girl Scout does centers around STEM, the outdoors, development of life skills, and entrepreneurship, and is designed to meet her where she is now and to grow along with her.

Whether she's building a robotic arm, coding her first app, building a shelter in the backcountry, or packing for her first hike, a Girl Scout has an exciting array of choices to suit her interests at every age.

STEM

Computer science, engineering, robotics, outdoor STEM, and more.

Life Skills

Civic engagement, healthy living, global citizenship, communication skills

Outdoors

Adventure and skill building, including through camping experiences for all age levels, from the backyard to the backcountry.

Entrepreneurship

Girls desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community and create "action plans" to solve them.

Girl Scouts Is Affordable and Valuable.

Joining Girl Scouts is easy! Once you register, you'll be able to look through our Troop Opportunity Catalog to select a troop. Girls may also be individual members. The cost of an annual membership is \$25, a fee that goes directly to Girl Scouts of the USA to cover insurance and other national costs. Local troops may assess additional dues or fees to offset supply and activity costs. You can go online to our website at gsccc.org for full instructions.

Celebrating Spirituality and Faith.

Girl Scouts is welcoming and inclusive to members of all faiths. Everything in Girl Scouting is based on the Girl Scout Promise and Law, which include many principles and values that are common across religions. Because we understand that religious instruction is at the center of many families and communities, we invite Girl Scouts to take spiritual journeys via their faith's religious recognitions. Girls may earn the My Promise, My Faith pin. Girls explore the connections between the Girl Scout Law and teachings from their faith. This pin can be earned each year. Requirements for this pin are included in The Girl's Guide to Girl Scouting for all levels.

Girls Love Earning Badges and Patches!

Girl Scouts of all grade levels can earn badges! Badges are awards girls earn by completing skill-building activities and can be worn on the front of the uniform, while patches are given to Girl Scouts for participating in fun events, activities or other programs.

Wear It Where?

Here's the rundown on what goes where on a girl's tunic, sash, or vest. Flag patch, council name patches, and troop numbers go on the front right, in that order, starting at the top. Badges and Journey awards always go on the front, starting at the bottom. On a vest, badges go on the right and Journey awards on the left. On a sash, badges go below Journey awards. Fun patches from trips and experiences always go on the back.

Let's Shop.
