# Get Outside and Have Fun!

Taking girls outside can be a fun time for everyone as girls develop outdoor skills and a passion for nature. Girls tell us experiencing the outdoors is one of the things they want to do as Girl Scouts! So whether you're a camping pro, or just starting out, you can help girls of all ages have a positive experience in the great outdoors using our Council properties. You'll find safe, efficient and environmentally operated campsites and outdoor learning areas where girls can swim, try their hand at archery, be challenged on ropes courses, scale climbing walls and more.
