Double Your Gift!

Many employers participate in matching gift programs. Contact your company's Human Resources or Community Affairs Department to find out if your company participates.

Your gift is tax-deductible to the extent allowed by law.

Girl Scout Council of Colonial Coast Family Partnership Campaign 2011-2012 Growing Together

The Family Partnership Campaign is a way for families of Girl Scouts to express their belief in the value of Girl Scouting through financial support. By making a charitable contribution to the Girl Scout Council of Colonial Coast, you are directly helping girls in our community develop the courage, confidence, and character they need to make our world a better place.

Why give?

You have seen the difference Girl Scouts has made in the life of your daughter. Girl Scouts has been benefitting generations of girls for the last 100 years, and we can continue for the next 100 years with your help.

Did you know it costs \$292 per girl for one year of the Girl Scout Leadership Experience?

Every dollar you give changes the life of a girl. Help us build the leaders of tomorrow, today.

Your Gift of...

- \$365...** \$1 a day to support Girl Scouting for a year
- \$250...** Provides one week of day camp for a girl and her friend
- \$100...** \$1 to celebrate every year of Girl Scouting since 1912
- \$48...** Provides Girl Scout memberships for four girls
- \$30...** Provides a basic uniform and a Journey book for one girl

We are supported in part by

girl scouts
of the colonial coast
