

Our Tribute Fund Gifts are for members and friends of Girl Scouting. It is a lasting and meaningful way to honor someone special or memorialize a loved one. These gifts may be designated to General Property or Operations Funds, or to a specific fund. The General Funds will designate your gift to the area with the most need or greatest community impact.

When you contribute to Girl Scouting, your gift honors or remembers a friend or a loved one in a unique and lasting way. With each gift, we will:

- send our tribute card to the individual you have designated.
- send you an acknowledgment that we have received your contribution.

To Make Your Tribute Fund Gift please complete both sides of the enclosed Tribute Fund Request card and mail it to:

Your generous financial support is greatly appreciated and is an investment in the future of girls and young women in our community.

**Barbara Mettler Memorial Fund**  
 Barbara Mettler was a lifetime Girl Scout and the former Assistant Executive Director of the Greater Tidewater Girl Scout Council – a council that joined Heritage Council in 1981 to form Colonial Coast. As of her death in 2010, at the age of

92, she had spent most of those years as a dedicated Girl Scout volunteer. She was an extraordinary trainer who was recognized nationally for her abilities in adult development. Your Tribute donation will be used to help girls experience the Travel Pathway in Girl Scouts where they can be friendship ambassadors – as Barbara was during her lifetime.

**Buck Harris Endowment Fund**

This award was established upon the retirement of Buck Harris, a former Executive Director of the Greater Tidewater Girl Scout Council. Because of her lifelong dedication to providing the finest in camping and outdoor education programming, Buck’s friends felt that this award would be an appropriate way to honor her.

**Carolina Leach Memorial Fund**

This fund was established in the spring of 2004 in memory of Cadette Girl Scout, Carolina Leach.

Carolina struggled all her life from a heart ailment. She joined the Girl Scouts as a Brownie and was active throughout her entire life. This fund provides financial assistance to other Girl Scouts with special needs.

**Terry Scott Memorial Fund**  
 Terry Scott was a lifetime member of GSUSA starting as a Brownie at age 7 and continuing as an adult volunteer and professional staff. At the time of her death, she was proudly serving as Chief Operations Officer for the Girl Scout Council of

Colonial Coast. She loved serving in that position and excelled at the job, sharing her enthusiasm and joy in a movement dedicated to building girls of courage, confidence and character. Terry was a survivor of many of life’s obstacles and a champion of empowering and respecting each individual. Your contribution to Terry’s legacy will help us continue to serve girls who would otherwise be unable to participate in Girl Scouting.

**Nellie Hayse Tribute Fund**

Nellie Hayse served as CEO for our Girl Scout Council of Colonial Coast for 23 years. During her tenure, Nellie accomplished many things including the construction and completion of A Place for Girls in Chesapeake, Virginia. Her dream was to have a complete recreational site for girls to enjoy nature. Part of this plan included a swimming pool so that girls could learn to swim and enjoy the water in a natural setting. This dream continues through the Nellie Hayse Tribute Fund created in recognition of Nellie’s years of service to our Council.

**Our Mission:**  
 Girl Scouting builds girls of courage, confidence and character who make the world a better place.

**Atlantic White Cedar Restoration Tribute Fund**  
 Eileen Metheny Carlton established this restoration project in memory of her mother, Frances Davis Metheny, who was a Girl Scout volunteer for many years. Frances was an avid gardener and a steward of plants and wildlife. This restoration project includes planting Atlantic White Cedar Hummocks and Marsh Mallow. As this Cedar stand develops, we may one day be able to nurture the Angled Hairstreak Butterfly or hear the spring mating call of the Black-Throated Green Warbler.

**A Place for Girls/The Outback Tribute Fund**  
 A Place for Girls Fund helps provide financial assistance for activities offered at A Place for Girls as well as capital improvements to the facility and grounds. A Place for Girls serves as the Council corporate offices as well as a regional recreational facility for girl members. Both after-school and a summer camp programming utilize the multiple rooms downstairs. These rooms range from a full kitchen, First Aid room, dance and music room, and an arts and crafts area.

The Outback at A Place for Girls was dedicated in September of 2000. Our Outback covers 8.5 acres and is a nature preserve – home to many species of wildlife and birds. The Outback began as a dream that slowly came to fruition. It includes three shelters, a health and fitness trail, a meandering creek (Bells Mill Creek), canoe docks, a 50-foot observation tower and a raised boardwalk for easy navigation – all in a wetland setting. Nature trails, a weather station located on the boardwalk and signage to inform our visitors of the many flora, fauna and trees that are part of our Outback experience.

**Opportunity Fund**

This fund provides financial support to families in difficulty. Funds are used to cover membership fees, purchase uniforms and books, provide summer camp opportunities and sponsor educational workshops. This fund ensures that all girls can participate in Girl

Scouting regardless of their social economic status. A contribution the Opportunity Fund truly helps us serve every girl, everywhere.
