

To Celebrate the Kickoff of the Fall Product Program the GSCCC Product Program Team is hosting a **Naming Contest!**

Our mascot is the Ocelot. Ocelots are about twice the size of an average house cat, and each has a unique spotted coat that helps them blend in when hunting and resting. Ocelots are nocturnal, hunting small prey at night. Ocelots purr like house cats and the babies are called kittens. Ocelots are fast—running up to speeds of 38mph! They can climb trees and swim too!

Now that you've learned a bit about our mascot we need your help—What should we name our ginormous 4-foot stuffed Ocelot?

All registered GSCCC registered Girl Scouts may submit their ideas by clicking [HERE](#) or scanning the QR code. The last day to submit names is **October 1, 2023**.

One lucky Girl Scout will take home the soft, cuddly ginormous stuffy! To be entered to **WIN** you must...

- Participate in the Fall Product Program Naming Contest.
- Set up your online M2 store.
- Create your avatar.
- Send 36+ unique emails.
- Send 1 *Share my Site*
- Have \$750 or more in total sales.

Girl Scouts who complete all requirements are **automatically** entered into the drawing. The lucky winner will be announced November 15, 2023.
