

Camp is Calling

April 28 - May 4

2024 is the final year for the Camp is Calling online auction.
Join the in-person celebration on May 4.

Bid Generously - Help Girls!

GSCCC properties are treasures appreciated and used by so many Girl Scouts. Like all things well loved, they need care to keep them in top shape for our campers. Our girls need the outdoors to become explorers, adventurers, and environmentalists. 63% of girls want an outdoor experience, and that's increasing annually. Let's help them get outdoors through the beautification and maintenance of Girl Scout camp properties.

Your support is essential for a positive and safe experience. 100% of proceeds directly impact our camps.

Online Auction, April 28 through May 4.

Place bids virtually to purchase great items that include entertainment packages, local experiences, professional services, family fun, gourmet food, and more. Check the site daily for newly featured items. All winning bidders will be contacted after the conclusion of the online auction with pick-up instructions. Click the QR code to register.
