

girl scouts
of the colonial coast

Dear Community Troop Partner,

As we continue to work together to serve youth during these challenging times, Girl Scouts of the Colonial Coast wants to invite you to help deliver programs to girls that will enrich their education and well-being. We have created alternative programming that has proven to be very well received by girls and we'd like to share these opportunities with those you serve as well! Through our alternative program options, girls become fully registered Girl Scout members and have access to our online programs and virtual events! Best of all, as a community partner you can participate at no cost.

Badge Kits for Free Meal Providers - If your site is handing out free meals, we will provide badge activity kits for distribution to girls. A Community Troop Facilitator will set up a table to handout badge activity kits. Each kit will have 4-6 fun activities for the girls to complete and will include items such as worksheets, pencils, coloring materials, and specific supplies needed for the activities. Instructions are included to walk the girls and site leaders through each activity. Not only will girls earn a minimum of one badge by the end of the kit delivery, they will also be fully registered in the Girl Scouts with a complimentary membership good through September 30, 2021. Girls and their families can choose to continue to participate in Girl Scouts with their free membership. Parents will have the option to continue to receive free badge kits via mail.

Interested? Let's get started! Call or email with the enrichment option you prefer, along with your choice of day/week for delivery.

Thank you for your continued partnership. Together we are building girls of courage, confidence and character, who make the world a better place.
