Dear Caregiver,

Whether you’re a first time camper or an experienced outdoor enthusiast, Girl Scout camp is the best place to discover your inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader).™ Our day and resident camp options are girl-led and allow your girl to thrive as she embarks on new challenges in the outdoors. In addition to stepping outside of her comfort zone, camp will also allow your Girl Scout to develop leadership skills that will last her a lifetime. The Girl Scout Research Institute reports that 81% of Girl Scouts who attended summer camp developed critical leadership skills that would help them lead a group of their peers to complete a task.

This year, we have some new additions to two of our camp properties that are sure to excite girls of all levels! At Camp Darden, we have added an axe throwing range for Cadettes, Seniors and Ambassadors. And our new bouldering wall at Camp Skimino will allow all levels of girl scouting to take risks in a safe environment, especially our Girl Scout Daisies!

As a Gold Award Girl Scout and a product of Girl Scout camp, I know that Girl Scout camp provides girls with a safe space to build their courage, confidence and character. Campers will explore how to work as a team, become a leader and become their best self! Please plan to attend one of our camp open houses to check out our amazing properties and discover what fun awaits your Girl Scout this coming summer.

See you outside!

Troop Camping
Are you ready for an outdoor adventure? Camping is a key (and fun!) component of the Girl Scout Leadership Experience, and troop camping provides an easy and affordable way for girls and volunteers to experience the great outdoors.

Troop camping provides a great bonding opportunity as girls build campfires, go boating, practice archery, experience hiking, do arts and crafts — and so much more!

Girl Scouts of the Colonial Coast’s four camp properties are available throughout the year for troops to experience camping in a variety of ways. Visit the Volunteer Tool Kit to learn more about renting a camp for your troop’s next big camping trip.

Q: Who can attend Girl Scout camp?
A: Day camp is open to all girls who have completed kindergarten through graduating seniors. Resident camp is for girls who have completed first grade and up.

Q: How do I know my daughter is in good hands?
A: Safety is our number one priority. Our camps operate by the standards of Girl Scouts of the USA, which meet or exceed the standards of the local and state health departments. Camp staff are carefully chosen and interviewed for their skills and abilities, belief in the ideals of Girl Scouting, love of the outdoors, and passion for children’s education. Many are college students, as well as Girl Scouts and former campers. All staff complete intensive training related to their position, including First Aid, CPR, camp craft skills, child development, waterfront skills, and conflict management. Girl Scouts of the Colonial Coast celebrates Girl Scouting’s worldwide connections by hiring a selective group of counselors and staff from the United States and abroad.

Q: Does my camper need a physical?
A: No, an up-to-date Camper Health History form must be completed for every camper and returned to the Council office no later than May 15, 2020. Please help us provide adequate care for your daughter by giving information about her health that will make her stay at camp happy and healthy. However, Camp Fury campers are required to submit a copy of their latest physical.

Q: How does the camp handle health care?
A: There is a health center located at every camp and staffed around the clock by a health manager, who is certified in first aid and CPR. Caregivers are always contacted at the earliest opportunity in the event of serious injury or illness during camp. Each camp has an ongoing relationship with a health care facility nearby for consultation and emergency medical services if needed.

Q: Can I bring mail to camp or do I mail it?
A: We recommend you hand-carry mail and leave it at check-in. Don’t forget to put your camper’s name, unit and what day you would like the mail delivered. Alternatively, we have designated camp@gsccc.org as the caregiver-camper email connection during their stay at resident camp.

Emails will be checked once a day, printed and given to your camper during mail call. We request that you limit emails to no more than one per day. Simply include your camper’s name and unit name in the subject line. Do not include photos in your emails as we cannot accommodate printing them.
Q: What are kapers?
A: Kapers are chores, important in Girl Scouting, to learn that everyone must do their share. Sharing the kapers helps to keep the camp program site tidy and safe. Responsibilities are rotated among the girls and could include picking up litter, collecting firewood, lending a hand preparing meals and cleaning up, and cleaning bathrooms. This takes place in small groups and camp staff will also participate in each of these activities.

Q: Will my daughter earn badges at camp?
A: Yes, at the end of each week if a badge or award was completed, the girls will receive them.

Q: Are electronics allowed at camp?
A: No. At Girl Scout camp, we believe we are visitors in the great outdoors. We live side-by-side with bugs, animals and nature in simple living accommodations. While girls are enjoying their day or resident camp session, we require all campers to leave electronics at home. We do not have phones or computers for the girls to use, as we want them to enjoy their experience while not being distracted.

Q: Where will my child sleep?
A: Sleeping arrangements at resident camp vary with the camp and program. Below is a table of the various accommodations available at each of our camps:

<table>

Q: What are the meals like?
A: There is nothing like activity and fresh air to make a girl HUNGRY! Camp meals and snacks are healthy and are foods kids like. We offer a vegetarian alternative at each meal. During breakfast, a cereal bar and fruit are available in addition to the main meal. During lunch and dinner, we offer a fresh salad bar as a supplement to the main meal. Most meals are prepared by our kitchen staff and eaten in the dining hall. Girls have the opportunity to cook at least once with their unit (weather permitting). Most diets (gluten-free, diabetic, kosher, vegetarian, vegan, allergies, etc.) can be accommodated by contacting customercare@gsccc.org by May 15, 2020. We follow the American Heart Association and Diabetes Association nutritional guidelines.

Q: Do campers get to choose their activities?
A: Yes, each unit program offers specialized activities that campers will participate in. Campers will take part in girl-planning which will give them an opportunity to pick some of the additional areas of focus and activities during their session.

Q: Can my camper attend camp with a buddy/friend?
A: During registration, a buddy’s name can be listed. Buddies must be in the same grade and must register for the same session.

Q: Can my camper call home during the week?
A: No. We encourage independence and self-reliance during camp. The camp director will contact caregivers if a camper has a medical problem, is excessively homesick or there is an emergency. Please discuss this with your child prior to camp.
Q: What about storms?
A: Safety of our campers is our top priority so outdoor activities are dependent on the weather. Should we need to adjust activities due to unsafe weather conditions, your camper will instead enjoy other activities that can be done indoors.

Q: Can I purchase a care package or Trading Post camp bucks at camp?
A: Unfortunately, the Trading Post can’t complete care package or camp bucks transactions. These must be paid for online at ebiz.gsccc.org by May 15, 2020. Remember, cash is not allowed at any camp.
