GSCCCC Summer Outdoor Adventures!
Day Camp Guide 2021
Dear Parents and Campers,

We’re so excited to share the 2021 GSCCC Summer Day Camp Guide with you which is full of sessions to meet every girl’s interest! Whether you’re a first-time camper or someone who has camped countless times before, we can’t wait to see you thrive in our girl-led outdoor adventures this summer.

We know 2020 has been a challenging year for so many reasons, but we want you to know that, just as we have always done, we are dedicating our time and efforts to ensuring the safety and wellbeing of your girl while at camp. While much of her outdoor adventure will be the same as in years’ past, there are things that will change as a result of the COVID-19 pandemic and as a result of guidance given to us by local, state and national health officials. Here’s what you can expect:

· Required rapid temperature checks for everyone entering camp
· Mandatory curbside drop-off and pick-up
· Routine cleaning and disinfecting of spaces and items throughout camp

With your help and our additional health and safety measures, we can return to a state of normalcy at camp as we make s'mores, sing songs, and create memories that will last a lifetime.

See you outside!

Every girl needs a powerful identity that makes her feel confident in front of others. In the real world, girls often feel defined by their appearance, material stuff, parents, and grades. At Girl Scout camp, girls are free from those social confines. They can explore and cultivate authentic relationships with fellow campers and staff mentors. A girl can be a great climber, creative artist, friend, master s’more-maker, strong hiker, song leader, outdoor cook, archer, and, well, anything she wants to be.

As reported in *More Than S’mores: Successes and Surprises in Girl Scouts’ Outdoor Experiences*, girls engage in outdoor activities through Girl Scouts that they wouldn’t otherwise have access to, providing them with valuable first-time experiences that help them build the confidence they need throughout life.
Camp Darden is located on 105 wooded acres in Courtland, VA. Camp highlights include a swimming pool, boating lake, modern bathhouses, archery range, outdoor climbing wall, axe throwing range and a dining hall. Some housing units are air-conditioned.

Darden programs are written with the personality, age and needs of the girls in mind. Select programs designed to foster leadership in girls grades 9-12 are also offered.

FAQs

Not a Girl Scout?
Register online or customercare@gsccc.org
Q: Does my camper need a physical?
A: No, an up-to-date Camper Health History form must be completed for every camper and returned to the Council office no later than May 31, 2021. Please help us provide adequate care for your daughter by giving information about her health that will make her stay at camp happy and healthy. **Camp Fury campers are required to submit a copy of their latest physical.

Q: How does the camp handle health care?
A: There is a health center located at every camp and staffed by a health manager, who is certified in first aid and CPR. Caregivers are always contacted at the earliest opportunity in the event of serious injury or illness during camp. Each camp has an ongoing relationship with a health care facility nearby for consultation and emergency medical services if needed.

Q: Who can attend Girl Scout day camp?
A: Day Camp is open to all girls grades 1-8.

Q: How do I know my daughter is in good hands?
A: Safety is our number one priority. Our camps operate by the standards of Girl Scouts of the USA, which meet or exceed the standards of the local and state health departments. Camp staff are carefully chosen and interviewed for their skills and abilities, belief in the ideals of Girl Scouting, love of the outdoors, and passion for children's education. Many are college students, as well as Girl Scouts and former campers. All staff complete intensive training related to their position.

EARLY BIRD DISCOUNTS – A $15 per session discount is offered for any summer camp registration received prior to February 19, 2021, that is accompanied by the required non-refundable $50 deposit. Discount does not apply to Leadership Squad sessions.

FINANCIAL ASSISTANCE – Applications along with a $50 non-refundable deposit must be submitted to the Council by May 31, 2021. Applications are available by contacting customercare@gsccc.org.

Financial assistance is available for one camp session per year per girl. Money is set aside each year for financial assistance to help girls who might otherwise be unable to attend camp. Grants are made based on the number of requests, availability of funds and applicants' needs.

SHIRTS AND PATCHES – Each camper will receive a camp T-shirt and patch per session attended. Remember to indicate your child's shirt size on the registration form.

Q: Who can attend Girl Scout day camp?
A: Day Camp is open to all girls grades 1-8.
Q: Will my daughter earn badges at camp?
A: Yes, at the end of each week if a badge or award was completed, the girls will receive them.

Q: Are electronics allowed at camp?
A: While girls are enjoying their day camp session, we require all campers to leave electronics at home. We do not have phones or computers for the girls to use, as we want them to enjoy their experience while not being distracted.

Q: Do campers get to choose their activities?
A: Yes, each unit program offers specialized activities that campers will participate in. Campers will take part in girl-planning which will give them an opportunity to pick some of the additional areas of focus and activities during their session.

Q: Can my camper attend camp with a buddy/friend?
A: During registration, a buddy’s name can be listed. Buddies must be in the same grade and must register for the same session.

Q: What about storms?
A: Safety of our campers is our top priority so outdoor activities are dependent on the weather. Should we need to adjust activities due to unsafe weather conditions, your camper will instead enjoy other activities that can be done indoors.

Q: What are kapers?
A: Kapers are chores, important in Girl Scouting, to learn that everyone must do their share. Sharing the kapers helps to keep the camp program site tidy and safe. Responsibilities are rotated among the girls and could include picking up litter, collecting firewood and cleaning up. This takes place in small groups and camp staff will also participate in each of these activities.
