

Super Seller Club

Individual girls who sell 750+ boxes of cookies qualify to become a member of the Super Seller Club. Girls earn points based on the number of boxes sold and can spend their points on any combination of Super Seller rewards.

Girls will make their selection via survey in early April. Girls who do not respond to the survey will receive program credit as the default choice.

Girls in troops who opt out of receiving rewards now qualify for the Super Seller Club. Actual rewards may vary.
