

Heather Robinson, Member-at-Large

Heather Robinson started Within Interior Design, Inc., in 2007 with an emphasis on interior design and has since expanded the firm into a multi-disciplinary practice (which includes construction) that addresses multiple layers of the human experience. With approachable, collaborative methods of designing and solving problems, she leads a team that believes in dreaming big, as well as, leaping over hurdles to arrive at fresh new solutions. Heather is a NCIDQ certified interior designer and a Virginia Class A Contractor, and was a recipient of the Women President's Organization 50 Fastest Woman Lead Organizations, internationally ranked #8 of 50 in 2019.
