

Each volunteer position has its own unique learning and support path. Refer to the Learning Progression Chart for the required classes for your position. Refer to the Learning Opportunities page on the website (<http://www.gsgcc.org/en/for-volunteers/learning-opportunities.html>).

Learning opportunities ensure that you have the support you need in Girl Scouting. The Volunteer Services department will provide you with the instruction and guidance necessary to fulfill your role successfully as a Girl Scout volunteer—learning that will not only help you work more effectively with Girl Scouts but also may introduce new skills and behaviors into your work life, relationships, and personal development.

Volunteer Learning Progression
