Today, women are celebrating huge milestones because of past advocates and champions making a difference. On August 18, 2020, we will celebrate 100 years of the 19th Amendment, giving women the right to vote. The women before you paved the way through their activism and dedication. **You have a chance to be part of history and widen that paved road for girls today!**

**Girl Scouts of the Colonial Coast Leadership Fund**

The past is filled with the G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™ spirit!

**Women like...**

- **Juliette Gordon Low** was the first Girl Scout Go-getter with the vision to break the stereotypes of women by creating Girl Scouts in 1912.
- **The Innovators** fought against the status quo and began the movement for Women Suffrage causing the 19th Amendment to be ratified in 1920.
- **The Risk-takers** who fought for the Equal Pay Act in the early 1960s.
- **Women Leaders** like Girl Scout Alum Sandra Day O’Connor who became the first woman appointed to the U.S. Supreme Court in the early 1980s.

Your legacy is the girls of today and the girls of tomorrow. You accomplished great things because the women before you knew you could. Much like Juliette Gordon Low created her legacy in 1912, you can create your legacy today.

**Become a founding member of the Girl Scouts of the Colonial Coast Leadership Fund, your gift will fund the foundation for the future of Girl Scouts of the Colonial Coast.**

By the end of 2021, we will raise $100,000 from supporters to the future of GSCCC. You will create your legacy by becoming a **founding member** of this bright future...

How it works...

Annually, individuals give $100 or more (either through a one-time gift or an annual pledge with gift installments) to be invested in a sustaining fund for the future of GSCCC. As the fund continues to grow with additional investments, together we will ensure that GSCCC’s most immediate needs are always met and can continue to say yes to every girl.

Your legacy starts today with your gift to the Girl Scouts of the Colonial Coast Leadership Fund.

As we approach the 100 year anniversary of the 19th Amendment, over half of all elected women in US Congress are Girl Scout Alums proving that Girl Scouts does prepare girls for a lifetime of leadership. Where women were once not allowed to even vote, now they are the elected leaders. We want to ensure that there will always be Girl Scouts to continue to encourage the G.I.R.L.s of the future!
