What if an adult has more than one daughter in Girl Scouts?
- The adult should register with only ONE troop.
- A registered Girl Scout may receive credit for any combination of four services completed.
- The four services may be divided among or between sibling Girl Scouts or the four services may be conducted with only one of the girls. In either case, all sibling Girl Scouts are entitled to receive a patch.

Awarding the Patch:
- Troop leaders will be able to purchase patches from GSCCC retail shops.
- Troop leaders can decide when and how to award the patches to troop members.
- They can be awarded individually after completion of requirements or as a group in an awards ceremony. Only one patch will be awarded during the first year of participation.
- A girl continuing with the program during the second year will be awarded a star to attach to the patch, which may also be purchased at GSCCC retail shops.
