

Birding Guide to The Outback at A Place for Girls

The Outback is a designated site on the [Virginia Birding and Wildlife Trail](#). You can find this list of birds with links to photos and information on each through eBird.org by scanning the QR code below. How many of them do you see in The Outback today? Do you see other birds that are not on this list? Have an adult help you submit your observation to [eBird.org](#) so other people will know to look for them, too!
