Get Outside and Have Fun!

Spending time outside is fun for everyone as girls develop outdoor skills and a passion for nature. Girls tell us experiencing the outdoors is one of the things they want to do as Girl Scouts! So whether you're a camping pro, or just starting out, you can help girls of all ages have a positive experience in the great outdoors using our Council properties. You'll find safe, efficient and eco-friendly campsites and outdoor learning areas where girls can swim, try their hand at archery, be challenged on ropes courses, scale climbing walls and more.
