

Low Ropes/Challenge Course Instructor Record

In order to ensure the safety of our girls and adults, volunteers who have attended the Challenge Course and Ropes Initiatives training to become a low ropes instructor will actively provide at least eight hours of instruction during a 12-month period. Options for providing instruction may include service unit encampments, core camps, Council events, and Challenge Course with your troop. The Challenge Course training will be required if more than 12 months pass without providing the minimum eight hours of Challenge Course instruction. An instructor has 12 months from the date of course completion to complete the eight hours of instruction. However, she/he is still required to submit this form by June 30.

Use this form to record your experiences on the GSCCC low ropes/challenge courses. Submit a copy of this record annually by June 30 to remain on the approved instructor list.

Send record to: Outdoor Adventures Manager, Girl Scouts of the Colonial Coast

By Mail: 912 Cedar Road, Chesapeake, VA 23322

By Fax: 757-547-1872
