Order Received (In-Person Delivery)

Congratulations! Your Girl Scout received an order and the customer requested the order to be delivered by your Girl Scout. The below steps will walk you through what needs to happen prior to delivering the cookies.

Step 1: Receive Reminder Email

If a customer placed an In-Person Delivery order and it was not approved by midnight, you will receive an email from email@email.girlscouts.org with the subject “Action required: you have an in-person delivery request!” letting you know your Girl Scout has received an order for delivery. Hooray!

Step 2: Log into Digital Cookie

Click the button “Log In Now” in the email. That will take you to Digital Cookie where you can log in or go to digitalcookie.girlscouts.org and log in.

Step 3: View Orders

Click on the “Orders” tab and see what orders are pending your approval.

You will see a list of all orders needing approval, including the customer order number, number of packages in each order, the customer’s address, when the customer placed the order, and the number of days you have to approve it until it reverts to the customer’s second choice option.

Step 4: Determining whether to approve or decline the order

Digital Cookie®

What to consider:

- Is the customer a known and trusted individual?
- Are you willing and able to get the cookies to the customer's location before the end of the sale.

AND

- Do you have or will you have the inventory available?

If so, **"Approve Order."**

If you are unable or unwilling to fulfill the customer's order, click "Decline Order" and the order will default to whatever second option the customer has selected: "Cancel" or "Donate".

Step 5: Approving or Declining an Order

There are multiple ways to approve and decline orders for delivery.

1. Check the boxes in front of the orders you want to approve or decline and then click "Approve Order" or "Decline Order"

The troop volunteer will see the financial transaction as a credit to your Girl Scout in the baker software after you have approved delivering the order.

While in the site checking on orders, Girl Scouts can add customers, send follow-up emails, complete badge work, or explore the great tools on the website. Along the way, your Girl Scout will pick up some good cookie program tips!
