Goal Setting: Set My Sales Target

1. Girl Scouts enter how many packages of cookies they are working to sell this year through online and offline sales.
2. When the information is entered, the calculator will show how much money the troop will get from the Girl Scouts hard work.
3. Clicking on “Rewards” will take you to your council’s rewards tab (if available) to see what rewards the Girl Scout might want to work towards.
4. Girl Scouts can enter any offline packages they have sold so their customers will see their total sales, not just their digital sales.

Don't forget to save your goal before moving on.

The screenshot shows the 'STEP 1 SET MY SALES TARGET' form. Callout 1 points to the 'Your Goal Calculator' section where '500' is entered in the 'to sell' field and '\$125' is shown in the 'packages which = about' field. Callout 2 points to the 'Save' button. Callout 3 points to the 'REWARDS' button. Callout 4 points to the 'SO FAR EMILY HAS SOLD' section, which shows '0 Offline Sales' and '0 Online Sales'.

My Cookie Story

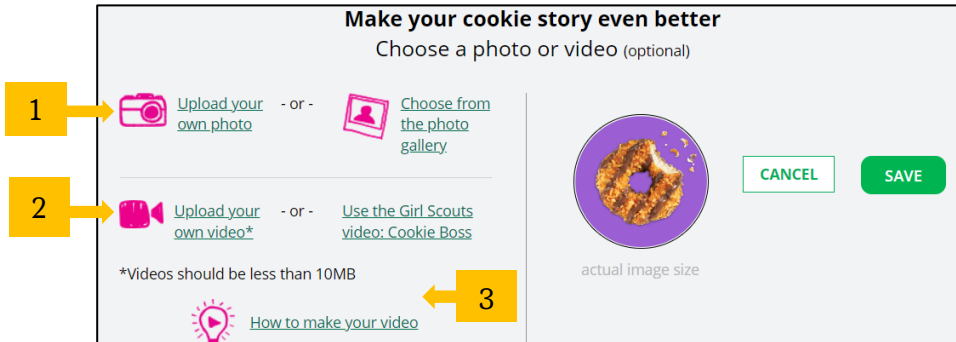

1. Girl Scouts tell their customers about a troop goal and why it's important.
2. Girl Scouts share what they've learned from the cookie program.
3. Save their story. They can make edits to it at any time.

The screenshot shows the 'STEP 2 WRITE MY COOKIE STORY' form. Callout 1 points to the first text box containing the text: 'My Girl Scout Troop will be doing a service project for the food bank going ice skating camping and to a water park.' Callout 2 points to the second text box containing the text: 'I love to ask people to buy cookies when they say yes. I like to sell cookies at a store and sell them to people.' Callout 3 points to the 'SAVE' button.

If your button only says “see your site” you may be missing some required fields or didn’t make any changes. Go back and check that everything has been completed.

You will see what the customer will see. Some things to check:

- Is the spelling and grammar correct and does it tell a story?
- Make sure the photo or video are displaying correctly.
- Are the goals accurate?
- If you need to change anything, click *Edit* and make changes, then go back to Step 2a.
- If it looks good, *approve and publish it*.

Your Girl Scout’s cookie store now has its own website! If your council’s digital cookie sale hasn’t started, the link will not be active yet.
