Share the Sweetness, Show you Care

In the Fall Product Program, Girl Scouts build financial skills while discovering the power of giving back! Through the Care to Share program, they support their community by providing treats to the USO Mid-Atlantic.

Participation is easy! Promote the online Care to Share program from November 1-9, 2025, to automatically receive entries for a prize drawing.

Each **Girl Scout** who sells additional Care to Share:

- 1-10 earns 1 entry
- 11-20 earns 2 entries
- 21+ earns 3 entries

3 Girl Scouts will randomly be selected on November 11 to receive one of the prizes below.

1 winner - Giant Grizzly Plush (Honey)

2 winners - Outdoor Adventure Kits

Bonus: The **troop** that increases their Care To Shares the most will receive a \$25 Shop Gift Certificate.

The Council Care to Share donation will be delivered directly to the USO Mid-Atlantic.
