

S'mores Bingo!

This game is for up to 12 Girl Scouts (or up to 12 teams of multiple players). Call out the images from the list (in any order you like) and have players mark them off on their cards using pens, crayons, or small tokens. (Hint: M&Ms make great disposable tokens!) The first player to complete a line (vertical, horizontal, or diagonal) in which all of the images have been called shouts “bingo” and wins!
