

Your Year of Friendship

FREE six-week program
at your school!

Join us for a six-week series at your school. The program is for grades K-4. Meeting day and times will be provided once you are registered.

Families can email or text for more information:

In Girl Scouting, every girl is welcome with her unique interests, skills, and quirks. Whether your girl simply dabbles as a Daisy or advances to become an Ambassador, she'll find a place in Girl Scouts.

We make it easy, affordable, and fun. Through customizable programming and activities, she'll get to do the things she loves and try out new things too.

Parents can register their girls [here](#) or scan qr code!
