@girlscouts

Girl Scouts' birthday, March 12, commemorates the day in 1912 when Juliette Gordon Low officially registered the organization's first 18 members in Savannah, Georgia. Girl Scout Week is celebrated in March, starting with Girl Scout Sunday and ending with Girl Scout Sabbath on a Saturday, and it always includes Girl Scouts' birthday, March 12. (This is also when we ask faith partners to join us in helping girls celebrate the connections between their faith and Girl Scouts. There are many [religious recognitions](#) that Girl Scouts of all faiths can earn!)

In 2023, Girl Scout week will be observed March 12-18. Join us each day as we honor our worldwide sisterhood. [We've collected fun games and activities on our website to help you celebrate!](#)
