

## Sponsorship Agreement

The Girl Scout mission is to build girls of courage, confidence, and character, who make the world a better place. Girl Scout sponsorship is a voluntary association entered into by the Girl Scouts of the Colonial Coast (GSCCC) and a community group or business, whose aims and objectives are compatible with those of Girl Scouting. It is based on a mutual agreement which clearly defines the responsibilities assumed by each group. These responsibilities are listed below. GSCCC always retains the responsibility for maintaining Girl Scout standards and for the administration of Girl Scout activities. Sponsorship will help ensure that all girls in the community, who want to be Girl Scouts, will have the opportunity, regardless of race, creed, national origin, disability or socio-economic factors.
